

PRIMIS™ P30

PRIMER SPRAY GUN

7425

PRIMIS Spray Gun with 600cc Nylon Cup

The **PRIMIS™ P30** is Fuji Spray Auto's dedicated HVLP primer spray gun, thoughtfully designed for efficient application of primers, sealers, and fillers in collision repair environments. It delivers reliable atomization and consistent coverage, making it an ideal choice for shops seeking a dependable, no-fuss tool for foundational coating stages.

Crafted with a robust aluminum body, the **PRIMIS™ P30** is lightweight, easy to maintain, and built for repeated daily use. With rear-mounted fan and fluid controls for convenient adjustments and an ergonomic design for user comfort, the **PRIMIS™ P30** offers trusted performance where it counts.
